Storyboard – My BPV – Take the Virtual Tour

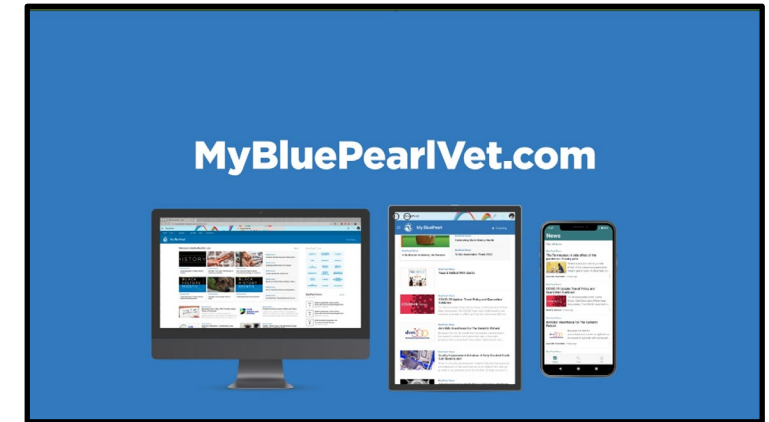

MyBluePearlVet.com

Virtual Tour

[[MUSIC STARTS]]
A website will be created in Articulate Rise. The 6 videos will be dropped in to create the virtual tour. The first video will include these first 4 scenes.

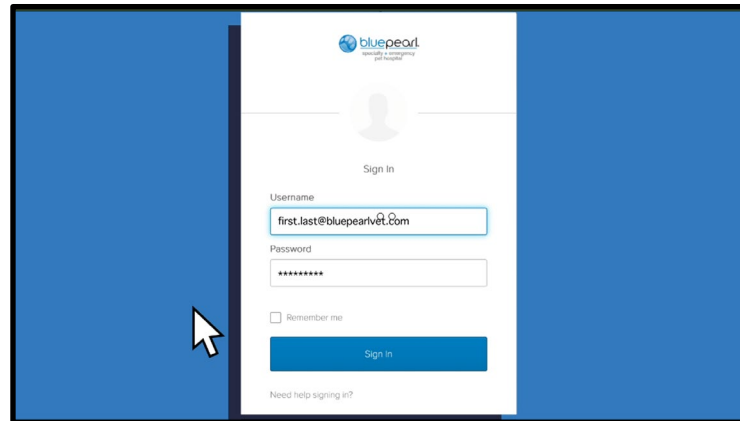

[[VO]]
Series of questions about where I might go to find info about benefits, policies, contacts, etc.

MyBluePearlVet.com

[[VO]]
Explain how to access MyBluePearlvet. Emphasize that learners can access it from anywhere on any device connected to the internet. Also emphasize that documents are updated often so they should ALWAYS check here to make sure they have the most updated resources.

User will scroll down after watching first video, then click on each of these 5 lessons/ videos individually to view.

Storyboard

[[VO]] **My Local Region** Lesson/Segment
Explain how to find out about local region & local contacts

[[VO]]
Explain how to add kudos and comments about fellow Associates

[[VO]] **Support** Lesson/Segment
Explain how to access support and go into detail about what can be found from this menu. Highlight the following items: BP Help, Finance, IT (If you're having a network related problem look here to see if there is an outage), P& O.
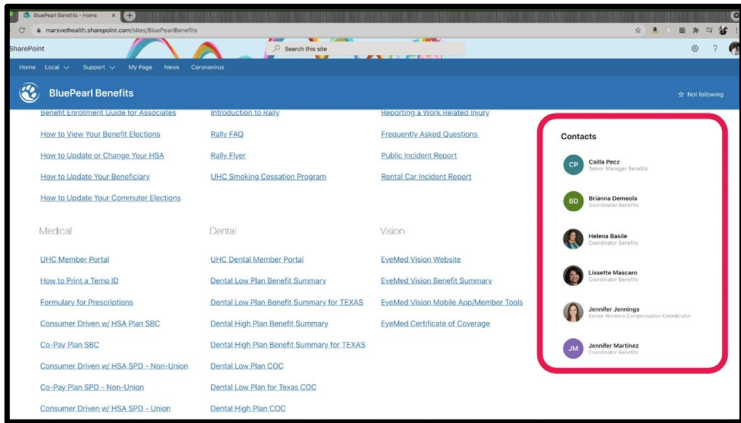

[[VO]]
Show where Associates can find contacts for each of these support services.

[[VO]] **News** Lesson/Segment
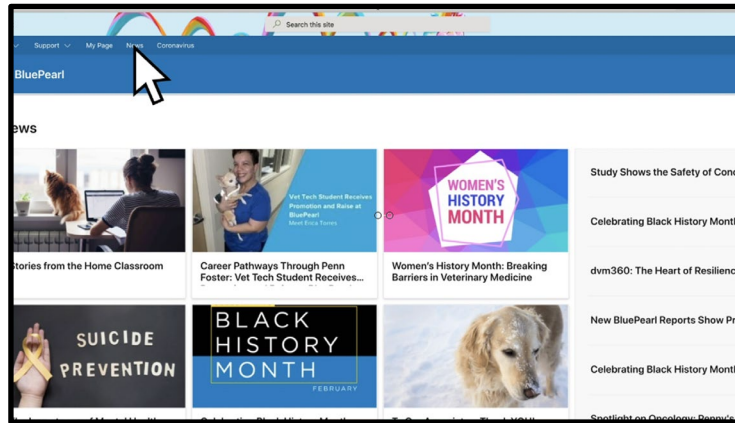

Show the News menu and explain what can be found there.

[[VO]] **Search Tool** Lesson/Segment
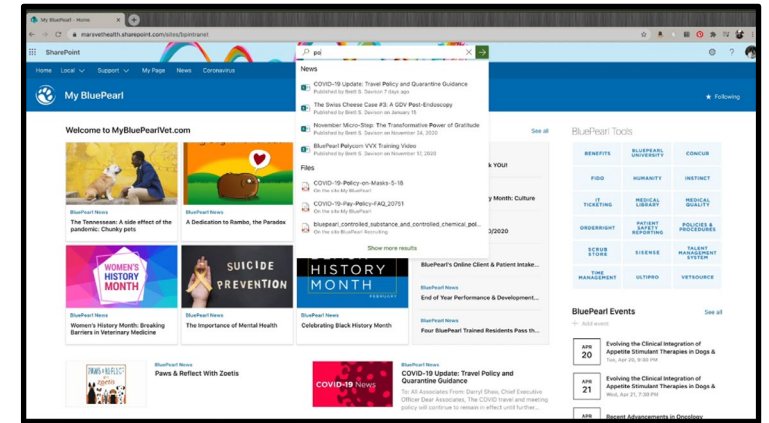

Explain how to perform a search if they are looking for something more specific.

Storyboard – My BPV – Take the Tour

[[VO]] **BluePearl Tool** Lesson/Segment
Introduce the BluePearl Tool bar. Discuss how it can be used to access Benefits, BPU, Concur, IT Ticketing, policies & procedures, Scrub store, Talent Management System & Ultipro. Describe briefly what each of these are for.

[[VO]]
Music & image fade out.
